## Record Enrollment Hinted For Camino's Spring Term

An enrollment exceeding that of last year was anticipated by El Camino College officials as registration for the spring semester neared an end. Final enrollment day is Friday, February 16.

Registration for all day and evening classes offered will be held today, from 9 a.m. to 5 p.m., and tomorrow from 9 a.m. to 5 p.m. Although classes have already begun, students may register this week and receive full course credit.

Last year a total of 3214 students signed up. Late last week 3132 had enrolled, and college officials expected this week's sign up to bring the total well above last spring's

figure. El Camino College, located at Crenshaw and Redondo Beach boulevards, offers more than 400 business, industrial, and liberal arts courses without tuition fee. Courses are open to all high school graduates and to all persons over 18 years of age, regardless of previous schooling.

## YMCA Fund Campaign Hits Half-Way Mark

About one-half of the YMCA's goal of \$13,050 has been raised it was announced following last week's report meeting. A total of \$5122 of the initial gifts goal of \$7050 was reported by R. R. Smith, general chairman of the drive. At the same time, the first week's work produced \$1720 of the \$6000 goal of the field campaign.

According to Field Chairman Warren Hamilton, "We hope to have all the donations in and hold our victory meeting next Wednesday."

Several teams had not yet reported when the first report was announced last Wednesday. The late reports plus this week's work should boost the drive a long way toward the goal, he stated.

Leading the division collections was the Air Force with \$492. Following were the Seabees under Admiral Bill Patterson with \$360, the Marines under General Don Hitchcock with \$250, the Navy under Admiral John Stambaugh with \$244, and the Army under General A. C. Turner with \$107. Yardbird Smith and Goldbrick Hamilton added another \$74.

Additional awards to the Air Force for the first week were announced when it was pointed out that Colonel Vanderpool had made the most individual contacts, and that the Air Force was the best in attendance at the report meeting. High team honors were split between Vanderpool's team and that of Captain Don Anderson of the Seabees.

SOME REPORTS DUE Several teams had not yet reported when the first report was announced last Wednesday. The late reports plus this week's work should boost the drive a long way toward the goal, he stated.

## Hi-Lites Of Seaside Heights

By GRACE RYCKMAN AND MERLE HOLSTIN FRONTIER 5-3718

Well, seems we are back in the news this week—and what a week this has been!

First off, the Boy Scout Troop 726, with Floyd Holstein as their Scoutmaster, wish to thank all for the swell cakes donated for the Cake Sale last Friday and Saturday. The money has gone into the treasury of the troop and brings each Scout much closer to his prized sleeping bag. Other projects now in progress toward building the fund are the paper drive and wire coat-hanger collection. Next time you see one of our Boy Scouts call him and help him along.

While we are talking about Scouts, the Girl Scouts and Brownies also owe a vote of thanks to all who are making the Annual Cookie Sale a success. If you haven't purchased yours, the sale is on for another week. They are really good.

It must be true that people know when they are wanted. Mr. and Mrs. H. J. Milson of Bindewald road are always so eager to please their guests—so plenty of guests. First, a Mr. Leland Marsh of Toledo, Iowa, stopped by for a visit. He is a cousin they had not seen in 15 years. Then from Salem, Oregon, came Dr. and Mrs. V. F. Prime to spend the weekend. Dr. Prime is president of Oregon State Dental Association and brother of Mrs. Milson. Then, locally Mr. and Mrs. E. E. Ryckman of Bindewald road spent an evening of canasta with them.

Have you ever considered an accident lucky? Mrs. Carl Beard (Alice) of Macatee road certainly does. Here's why. Sunday, February 4, as Carl was returning from work he became too weary and dropped off to sleep. As he was sleeping, their car skittered across Highway 101 and El Segundo boulevard, hit the curb, a telephone pole and turned over twice. The door had to be pried open to remove a badly shaken, bruised, skinned, but unbroken Carl. The car was demolished, but there was no other personal or property damage. He is back at work now and not a bit sleepy.

Tuesday, February 6, was the day the Red Cross Blood Bank came to our school cafeteria and found a big turnout from our area. Then the following Thursday was the March of Mothers on Polio. Those porch lights were a warm sight for the workers, the Mmes. Dwyer, Herbst, Holstin and Ryckman.

The PTA Valentine Dance held in the school cafeteria was really nice in spite of the fog. Mrs. A. Weber of Zakon road was the hospitality chairman from our tract. Nice job well done, Bernadette!

Mrs. Barbara Clark of Zakon is a widow of sorts. Her Jim has gone to New York to finish his training on office machinery. Courtesy of Remington-Rand.

I guess everyone knows by now that Mr. and Mrs. Leonard of Zakon, have another girl as of January 19, but here is a formal welcome to Rebecca Jo.

And of babies. Wee James Michael Elkner applied for permanent residence with Mr. and Mrs. K. A. Elkner on Bindewald road. He was gladly accepted December 27.

Little Paul Herbst really did it up right. Saturday the 19th he turned up with a big burn on the inside of his right wrist, and about 15 minutes after proper first aid, he cut such a deep place in his right index finger that a stitch was necessary.

## English Course Offered for Foreign Born

Helping the foreign born to learn the English language is the purpose of a free class offered each Monday evening at the Torrance High School as part of the adult education program.

The new class meets at 6:30 in room 207, according to Donald Manashaw, director of the adult program.

Not only students of foreign extraction, but those who have had their education cut short, are invited to learn the simple rules of the English language—in speaking, in spelling, punctuation, grammar, and sentence structure.

Each student will be treated on an individual basis, and help will be given only on those things that he wants most and which most fit into his pattern of living.

In addition to gaining a firm footing in the English language, those students who desire will get specific help on how to get their first papers and their final citizenship. They will be coached on how to get their first papers and their final citizenship.

All adults, regardless of residence, are invited to join this free class by attending the next regular meeting on Monday night, February 19.

The legendary stork had his safest year in Los Angeles County during 1949—the most recent year for which reliable estimates are available. Only 2130 of the newborns registered by the county's various health departments died despite a thumping total estimated at over 88,000.
